

We invite you to join us for **Photo Day Saturday, May 18** at Ormao Studios by Dave and Sonya photography. A special day when we create special keepsake images to remember this moment in time and your dancer's progress.

Think of this like any school class photo; you are not required to purchase any photographs on this day. A secure link with password to view images will be provided with prices. Ordering procedures will come directly from the photographer, not Ormao.

Scan the QR code to register for photo day

Saturday, May 18 PHOTO DAY PROTOCOL:

NOTE: Class photos will not be taken during regular class times

- ENTRY: Ormao small North studio door. Please plan to arrive ON TIME to your scheduled time for check-in. Tardy students will not be permitted to take photos.
- Dancers should arrive in their first costume with hair and make-up completed (see costume list on third page)
- Once your dancer is checked in, guardians may leave and come back or wait in the car. This is an important experience for dancers before recital to practice changing costumes and following our volunteer's instructions before recital arrives.
- EXIT: Once your dancer is finished taking photos, they will exit out the larger studio South doors with their complimentary recital tickets in hand.
- If your dancer has an additional dance, they will be instructed to exit out the South doors and re-enter and check-in through the North studio doors. Our teachers and volunteers will assist with costume changes and getting your dancer ready for their next photo session.

PLEASE find your dancer's class listed below:

PLEASE ARRIVE ON TIME! There will not be a makeup photo day.

SATURDAY, MAY 18
