

## Recital FAQ's

### Tickets

Your student will receive their complimentary tickets on photo day or during their weekly class. Additional tickets are available for \$17. Children 10 and under are free and we ask that you redeem their free ticket on our website. We strongly recommend purchasing tickets IN ADVANCE on our website or by using the QR code to the right.

### Video

The performance will be professionally captured, edited, and made available to ALL dancers as a part of your recital fee. Please redeem your complimentary recital video USB using the QR code to the left. Password protected video will also be made available for streaming on Ormao's website.

### Recital Photo Day, Saturday, May 18

We invite you to join us for Photo Day Saturday, May 18 at Ormao Studios by Dave and Sonya photography. Think of this like any school class photo; your student will wear their Recital costume and strike a pose! Your student and their class will be scheduled to arrive and take photos at a specific time. After your student's class is finished taking photos your family may leave. Students have the opportunity to take group and individual photos. You are not required to purchase any photographs on this day. A secure link with password to view images will be provided with prices and ordering procedures will come directly from the photographer, not Ormao. Register for photo day using the QR code to the right by May 11.

**Please, NO photography or video recording during rehearsal or performance** - it is distracting for the dancers and for other audience members behind you. Ormao has hired a professional photographer to capture the lovely movement of your students on the day of the dress rehearsal which will be available for purchase at a later date. Professional Video included in your recital fee will be available at a later date.

### Is Food Allowed Backstage?

Please feed your dancer 1 hour prior to arriving at the theater. Please provide simple snacks (such as fruit, crackers, & energy bars). Send water in easily closed containers; NO juice. Please, clean up after yourselves in the seating and backstage area.

\*We respectfully ask that parents stay in the designated seating area. We have teachers & adult volunteers helping backstage to supervise. We rarely need a parent to be backstage, this is your young dancers' time to enjoy the process of performance and that includes time backstage with new friends!
