Photo Day- We invite you to join us for [Photo Day Saturday, May 9](#) at Ormao Studios by Dave and Sonya Photography. A special day when we create special keepsake images to remember this moment in time and your dancer's progress. Please see the attached photo day form to RSVP.

Please, NO photography or video recording during rehearsal or performance - it is distracting for the dancers and for other audience members behind you. Ormao has hired a professional photographer to capture the lovely movement of your students on the day of the dress rehearsal which will be available for purchase at a later date. Professional Video included in your performance fee will be available 1 month after your performance.

Is Food Allowed Backstage?

Please feed your dancer 1 hour prior to arriving at the theater. Please provide simple snacks (such as crackers, & energy bars). Send water in easily closed containers; NO juice. Please, clean up after yourselves in the seating and backstage area.

*We respectfully ask that parents stay in the designated seating area. We have teachers & adult volunteers helping backstage to supervise. We rarely need a parent to be backstage, this is your young dancers' time to enjoy the process of performance and that includes time backstage with new friends! Performers and audience members must stay for the duration of the performance. This is an important and exciting moment for all performers and we wish for your support for each and every performer at Ormao.
